#### 7 PUBLIC QUESTION TIME

An opportunity is available at Council Meetings for members of the public to ask a question about any issue relating to the Shire. This time is available only for asking questions and not for making statements. Complex questions requiring research should be submitted as early as possible to allow the Shire time to prepare a response.

The Presiding Member may nominate a member of staff to answer the question and may also determine that any complex question requiring research be answered in writing. No debate or discussion can take place on any question or answer. To ask a question, please complete the Public Question Time Form available on the Shire's website:

www.eastpilbara.wa.gov.au/Profiles/shire/Assets/ClientData/Documents/Council/Public\_Participation\_ Forms 002 .pdf

The following question was received in written form from Marcus Gilmore – Head of Property VoGil Property. Mr Gilmore's question was read by the Shire President:

#### <u>Question:</u>

I'll keep it simple:

Would the Councillors like to hear the plans for the development which will allow early payment of back rates and taxes faster than current process and also the social benefits of the development moving forward much faster?

If can please advise if this Councillors would like to hear this.

#### The Shire President provided the following response:

As previously advised, it is not possible for you to make a deputation to Council Members in relation to a proposed development of land in the district of the Shire without first lodging an application for development approval, which would then be assessed by Shire planning staff prior to consideration and determination of the application by Council. In this regard, it is important that the independence and impartiality of Council's exercise of quasi-judicial statutory authority as a responsible authority under the Planning and Development Act 2005 is preserved by adherence to formal decision-making processes.

However, if you were to lodge an application for development approval, then you would be permitted to make a formal deputation to Council at a Council meeting prior to formal determination of the application by Council.

You are welcome to liaise with Shire planning staff prior to lodging a formal, valid application for planning approval, however it is not possible for you to liaise with Council, individual Council Members or non-planning Shire Staff prior to lodgement of a development approval application in the manner requested.

#### REPORT PURPOSE

The purpose of this report is for Council to consider a review of the Councillor Allowances and Expenses Policy, and the adoption of a new Council Member Travel Policy to provide improved clarity and guidance to Council Members on official travel and claims for the reimbursement of work related travel expenses.

#### BACKGROUND

Council may from time to time adopt policies to establish agreed positions and to provide a framework for consistent decision making. Section 2.7(2)(b) of the *Local Government Act 1995* ("the Act") provides that a key role for a Council to determine the local government's policies.

Policies should be subject to timely reviews to ensure they are relevant and fit for purpose.

#### COMMENTS/OPTIONS/DISCUSSIONS

Shire officers have recently undertaken a review of the Councillor Allowances and Expenses Policy, which has resulted among other things, in the drafting a proposed new Council Member Travel Policy. The Councillor Allowances and Expenses Policy sets clear guidance on the allowances and expenses that are payable to Council Members, the circumstances in which allowances are paid and expenses covered, and to ensure that such allowances and expenses fall within those permitted by the Act and the Salaries and Allowances Tribunal Local Government Chief Executive Officers and Elected Members Determination ("the Determination").

The Council Member Travel Policy is more procedural in nature and relates to approvals and processes by which travel can be arranged and expense reimbursed.

#### Councillor Allowances and Expenses Policy

Minor changes, including a change in references from 'Councillor' to 'Council Member', including a change to the title to Council Member Allowances and Expenses Policy, to reflect the language of the Act are recommended. Other changes include:

- the addition of a list of definitions of terms;
- clarity on those items and services to be covered by the ICT allowance;
- the use of charter flights by Council Members;
- further definition on the use of Shire resources by Council Members; and
- regular policy review following each ordinary election.

The review also recommends a number of changes to the structure of the policy, to make it flow more easily and to delete areas of repetition. A copy of the review is attached to this report as **Appendix 1**.

#### Council Member Travel Policy

The Shire arranges travel and accommodation for Council Members for business purposes. This policy is designed to establish appropriate financial control over the Shire travel expenditure and to ensure the appropriate management of travel risk and the Shire's duty of care. The Policy should be read in conjunction with the proposed changes to the Council Member Allowances and Expenses Policy, which sets out the

The draft policy, attached as **Appendix 2** to this report, has been drafted following a review of relevant policy documents of other local governments. It is recommended that the policy be reviewed after the first twelve months of operation to ensure that it is fit for purpose and compliant with any regulations that are introduced in the meantime.

The Council recently awarded a tender for a Corporate Travel provider. Arrangements are currently underway to transition to the new contractor, and a business improvement that has been identified is to provide clear guidance to the contractor on permissible travel.

The policy includes provision for evidence to support claims by Council Members for the reimbursement of costs associated with the use of private motor vehicles, which is in accordance with auditing standards.

In considering the Policy, Council should note the Shire's vast size which requires considerable amounts of regular travel by Council Members in order to fulfil their functions as elected members.

It is noted that similar internal work directions will be implemented by the Chief Executive Officer with respect to employees, contractors, volunteers and Martumili artists.

The policy also sets out restrictions on specified groups of Council Members and/or Shire Officers from travelling together on the same aircraft.

#### STATUTORY IMPLICATIONS/REQUIREMENTS

Council may from time to time adopt policies to establish agreed positions and to provide a framework for consistent decision making pursuant to s.2.7(2)(b) of the *Local Government Act 1995*.

The recommendation is consistent with the *Local Government Chief Executive Officers* and *Elected Members Determination No 1 of 2023* and *Local Government* (Administration) Regulations 1996.

#### POLICY IMPLICATIONS

Should the policy be adopted, a review of the existing Councillor Allowances and Expenses Policy, for any consequential changes required to ensure both policies are consistent. In the meantime, to the extent that there are any inconsistencies between the proposed Council Member Travel Policy and Councillor Allowances and Expenses Policy, the proposed Council Member Travel Policy will prevail.

CARRIED UNANIMOUSLY RECORD OF VOTE 8/0

### REPORT PURPOSE

To seek Council's approval to transfer ownership of the vehicle provided by the WA Department of Transport ("the Department") from the RYDE program, which has recently ceased, to a group nominated by the Department.

### BACKGROUND

The Shire of East Pilbara submitted a grant application to the Department in January 2022 to implement a Newman RYDE program. The RYDE program supports young people to complete the required 50 hours of supervised driving in order for participants to gain their provisional driving license. The RYDE program provides young people access to a suitable and licensed vehicle and licensed supervisors referred to as 'Driving Mentors'.

The Shire had experienced significant barriers in program implementation including the attraction and commitment of local volunteers to provide a driving mentoring role essential for the program to operate. Consequently, the program experienced significant delays. Various alternative tactics were employed to overcome these barriers without success. A meeting was convened with representatives from the Shire and the Department on 19 October 2023 and it was agreed the best option was to terminate the agreement in 2023. Under the termination agreement the Department (under clause 9.3) requires that the Shire:

- Only uses funds necessary to meet commitments made prior to this notice.
- Does not incur any further costs or commitments unless authorized by the Department of Transport
- Provides an Audited Financial Statement of grant moneys received and spent (excluding GST) broken down by item categories outlined in the Agreement Schedule 1, Item 1 (a).(i) Repays the Department any remaining utilised funds within 30 days of date hereof, (ii) Completes a Final Acquittal Report.

#### COMMENTS/OPTIONS/DISCUSSIONS

As part of the winding up of the program, the vehicle provided by the Department is to be transferred to another agency involved with the State Driving Access and Equity program or to be returned to the Department. The Department has requested the vehicle be transferred to Ngarliyarndu Bindirri Aboriginal Corporation. A copy of the request is attached as **Appendix 1** to this report. Ngarliyarndu Bindirri Aboriginal Corporation operates the Red Dirt Academy in Roebourne and is planning to use the vehicle for supervised driving hours with high school students.

The vehicle, a Suzuki Swift dual pedal car was purchased by the Shire of East Pilbara as part of the Department's Access and Equity Grant and is registered as an asset of the Shire.

Transfer costs are the responsibility of the recipient organisation as well as accepting all financial responsibility of the vehicle including insurance, licensing, maintenance and fuel. These costs will not be met by the Shire. The grant agreement provides that, *"[i]f a grant is allocated for the purchase of a vehicle, the vehicle cannot be used for purposes other than driver instruction, supervision or assessment."* 

Under the terms of the funding agreement, given the RYDE program has ceased to operate, Shire officers recommend that Council:

- 1. Agrees to transfer the asset to Ngarliyarndu Bindirri Aboriginal Corporation by private treaty as requested by the Department and in accordance with the funding agreement agreed to by the Shire;
- 2. Authorises the Chief Executive to give public notice of the intended disposal/transfer in accordance with of the *Local Government Act 1995*; and
- 3. Consider any submissions received.

In the event that no submissions are received, it is further recommended that the Chief Executive Officer be authorised to proceed immediately with the transfer.

Dear Cheryl

# Letter of Variation – Variation 1 – Grant Agreement DAE00013KP – Shire of East Pilbara

The Shire of East Pilbara (the Shire) entered into an agreement with the Department of Transport (the Department) on 20 April 2022 in relation to a grant under the Driving Access and Equity Pilot Program (the 'Agreement').

In response to your email dated 16 January 2023, where you advised that the Shire's project commencement had incurred significant delays and the Shire would not be able to adhere to the current reporting schedule, the Department proposes a variation to the Shire's Agreement at Schedule 1 with effect from **19 April 2023**, and that the parties confirm the variation to the Agreement under clause 15 of the Agreement. Clause 15 requires that any variation (ie. amendment) to the Agreement must be made and confirmed in writing.

This variation also includes a program-initiated amendment to the Program Documentation at Item 1(c) to include the addition of an Audited Financial Statement at the project final acquittal report, and the removal of the requirement to provide receipts and payments throughout the Agreement period. This also includes the addition of funds to have the audited statement completed.

The Schedule to this letter shows the proposed amendments to the Agreement in mark-up.

We confirm that other than those amendments listed in Schedule 1, all other provisions of the Agreement remain in full force and effect.

Confirmation of agreement to this variation by the grant recipient (CEO/Authorised delegate) is required in writing and constitutes a legal document.

To accept these amendments to the Agreement, please sign and return a copy of the completed acknowledgment form to the address below by **14 April 2023**, or this offer will lapse.

Please send or email a scanned copy of the completed acknowledgement form to:

#### REPORT PURPOSE

The purpose of this report is for the Council to consider the proposed sponsorship to host the Red Country Music Festival in Newman over three years, 2024, 2025, and 2026; and to consider a budget allocation as the Shire's contribution to the cost of the Red Country Music Festival.

#### BACKGROUND

The Red Country Music Festival, proposed for Friday, 14 June 2024, in Newman, has been presented to the Shire of East Pilbara's by Red Country Management for sponsorship consideration. Founder Bradley Hall, a Nyiyaparli man and music enthusiast, aims to unite the community with music, arts, and a cultural experience.

Historically, the festival has showcased award-winning artists, fostering local talent and providing a memorable cultural experience. The festival seeks to expand its reach to Newman in June 2024 and contribute significantly to the region's economic development. With a three-year vision, the festival plans to include major headline acts, food vendors, and collaboration with local arts and culture, creating a sense of pride and identity within the community.

#### COMMENTS/OPTIONS/DISCUSSIONS

The Red Country Music Festival's sponsorship proposal presents an exciting opportunity for the Shire of East Pilbara to contribute to our community's cultural enrichment and economic development. The festival aligns with building community capacity by fostering local arts and culture and established and emerging talent.

The festival, supported by the Nyiyaparli Advisory Group, invites the Shire of East Pilbara to become a major partner, offering a three-year sponsorship support package totalling \$330,000 (excl. GST)\. In return, the Shire will receive prominent acknowledgment in promotions, marketing, and digital media, aligning with its messaging goals.

The intention is to create an admission free event, fostering community pride, unity, and a cultural experience inclusive of all community members and visitors to Newman. **Confidential Appendix 1** details the sponsorship proposal.

The proposal to host the festival in Newman will reflect a strategic vision that can enhance the Shire of East Pilbara's profile on a broader level with exposure to national and international scales. As a result of cost-saving measures, receipt of additional sponsorship, reviews of the activation and event deliverables, and enhanced efficiency and collaboration, sufficient funds are available within the current community events budget to fund the Shire's contribution to the 2024 event. Further years' contributions subject to separate annual budget allocations. The three-year sponsorship is recommended considering the festival's potential to boost tourism, showcase our identity, and foster community pride.

Event organisers have confirmed other sources of funding for 2024 including the Nyiyaparli Advisory Group, Tourism WA and the Federal Government.

Supporting the Red Country Music Festival is considered a strategic investment in our community's cultural and economic future.

## REPORT PURPOSE

For Council to consider a proposal to cease its membership of the North West Defence Alliance, and continue its individual advocacy for defence investment in the District of East Pilbara.

#### BACKGROUND

The North West Defence Alliance (NWDA) is an organisation of local governments based in the Pilbara and Kimberley regions of Western Australia with the stated aim of attracting a greater defence and military presence for the north-west, in order to enhance the security of the high value national export industries and to attract further and more diversified investment in the regions. Council resolved at its ordinary meeting on 22 July 2022:

That Council:

- 1. Endorses the Shire of East Pilbara's continued membership of the North West Defence Alliance;
- 2. Supports the North West Defence Alliance establishment as an incorporated association under the Associations Incorporation Act 2015;
- 3. Supports an amendment to the Terms of Reference of the North West Defence Alliance to provide that member Local Government representatives will comprise the Mayor/President or an elected Councillor, and the Chief Executive Officer or their representative, of each member Local Government.
- 4. Endorses a contribution of \$5,000 towards the North West Defence Alliance advocacy program.

## COMMENTS/OPTIONS/DISCUSSIONS

The NWDA has been in place for several years as an informal grouping of eight local governments across the Pilbara and Kimberley and includes:

- Wyndham/East Kimberley;
- Derby/West Kimberley;
- Broome;
- East Pilbara;
- Port Hedland;
- Karratha;
- Ashburton; and
- Exmouth.

The NWDA has operated as an unincorporated body since its inception and is currently chaired by Mr Peter Long, the former Mayor of the City of Karratha.

The key purpose of the NWDA has been to advocate for an enhanced military presence and defence capability for the region, which would attract very significant defence industry investment for the region. Shire officers continue to see a need for the Shire to take a leading role in attracting defence investment and that it is not isolated to coastal communities and recognises the national strategic significance of the vast inland resource intensive part of the region.

In April 2023, the Australian Government announced an investment of \$3.8 billion over the subsequent four years, in response to priorities identified in the Defence Strategic Review. The investment has been identified to deliver upgrades to and the development of the northern bases network, including the following:

- \$2 billion for critical air bases stretching from RAAF Base Learmonth through Cocos (Keeling) Islands, as well as air bases in the Northern Territory and northern Queensland;
- \$1 billion for upgrades to land and joint estate capabilities;
- \$600 million in maritime estate investments including HMAS Coonawarra, HMAS Cairns and the Harold E Holt Naval Communications Station, and;
- An additional \$200 million towards the acceleration of additional projects.

A review of the ongoing operation of the NWDA and its continued relevance to the work of the Shire in this matter has been undertaken.

The Shire has contributed \$5,000 towards the NWDA's advocacy program, and it is unclear what the Alliance will be able to deliver for the interests of the District of East Pilbara, that could not be undertaken effectively by the Shire as required.

It is also apparent that the Department of Defence ("the Department") is guided by the Defence Strategic Review, which has not identified any projects for the District of East Pilbara, and that the efforts of the NWDA have thus far not yielded the results anticipated by the Alliance when Council last determined to maintain its membership. It is noted that a visit in 2023 to the region organised by the NWDA for Australian Defence Force (ADF) senior military leaders was cancelled by the Department, as it considered the visit unnecessary.

For these reasons, it is recommended that Council considers discontinuing its membership of the NWDA, and authorises the Shire to undertake individual advocacy as opportunities may arise.

## OPTIONS

- 1. Council endorses the recommendation and ceases its membership of the North West Defence Alliance; or
- 2. Council recommits to membership of the North West Defence Alliance.

## STATUTORY IMPLICATIONS/REQUIREMENTS

Nil

## POLICY IMPLICATIONS

Acceptance of the Officer's Recommendation will change the policy position of the Council in relation to its membership of the North West Defence Alliance.
