

5.2 Newman Recreation Centre – Commercial and Group Use

Objective

The intent of this policy is to promote broad usage of the facility, whilst ensuring a safe environment that is financially viable for Council.

Policy

1. Commercial users are defined as those who utilise the facility primarily for financial gain.
2. Commercial operators may negotiate conditions of usage subject to Council approval.
3. Usage by groups or organisations for non-commercial purposes (e.g. rehabilitation, social or educational purposes etc.) shall be at the discretion of the Manager Recreation and Events, subject to consideration of item iii.
4. Usage by commercial operators, groups and organisations is subject to consideration of the following:
 - a. Appropriate fees being applicable, per visit, per client, or on a weekly/monthly rate. Hirers must provide information on client fees, programs or intended usage upon request
 - b. access times
 - c. type of use, suitability of clients and number of participants
 - d. disruption to normal operations affecting access to members
 - e. possession of current public liability insurance by user groups
 - f. appropriate qualifications and/or experience of the hirer
 - g. advertising arrangements within the Recreation Centre facility
 - h. Any other factors that require consideration to the financial viability, safety and public usage of the facility
